

No Change Seen In County Board Rule

Township elections throughout Lake County saw one veteran leader of the Lake County Board of Supervisors go down to defeat, but the alignment of the board appeared to be unchanged, apparently paving the way for a second term as Chairman for Warren Supervisor Robert Depke. Depke squeezed out a narrow victory for election to his third term in a three way race that saw him getting less than a majority of the votes cast.

Depke, heading an incumbent ticket running as Republicans, garnered 1,318 votes to 1,240 votes for Donald Morris, who headed the Better Government slate, and 725 votes for Edward Jensen, a late-filing Independent.

In Libertyville Township an all-incumbent Republican Party slate headed by Guy L. Grinnell, long-time County Board power, went down to defeat in a stunning upset although most observers had predicted a close battle in the race.

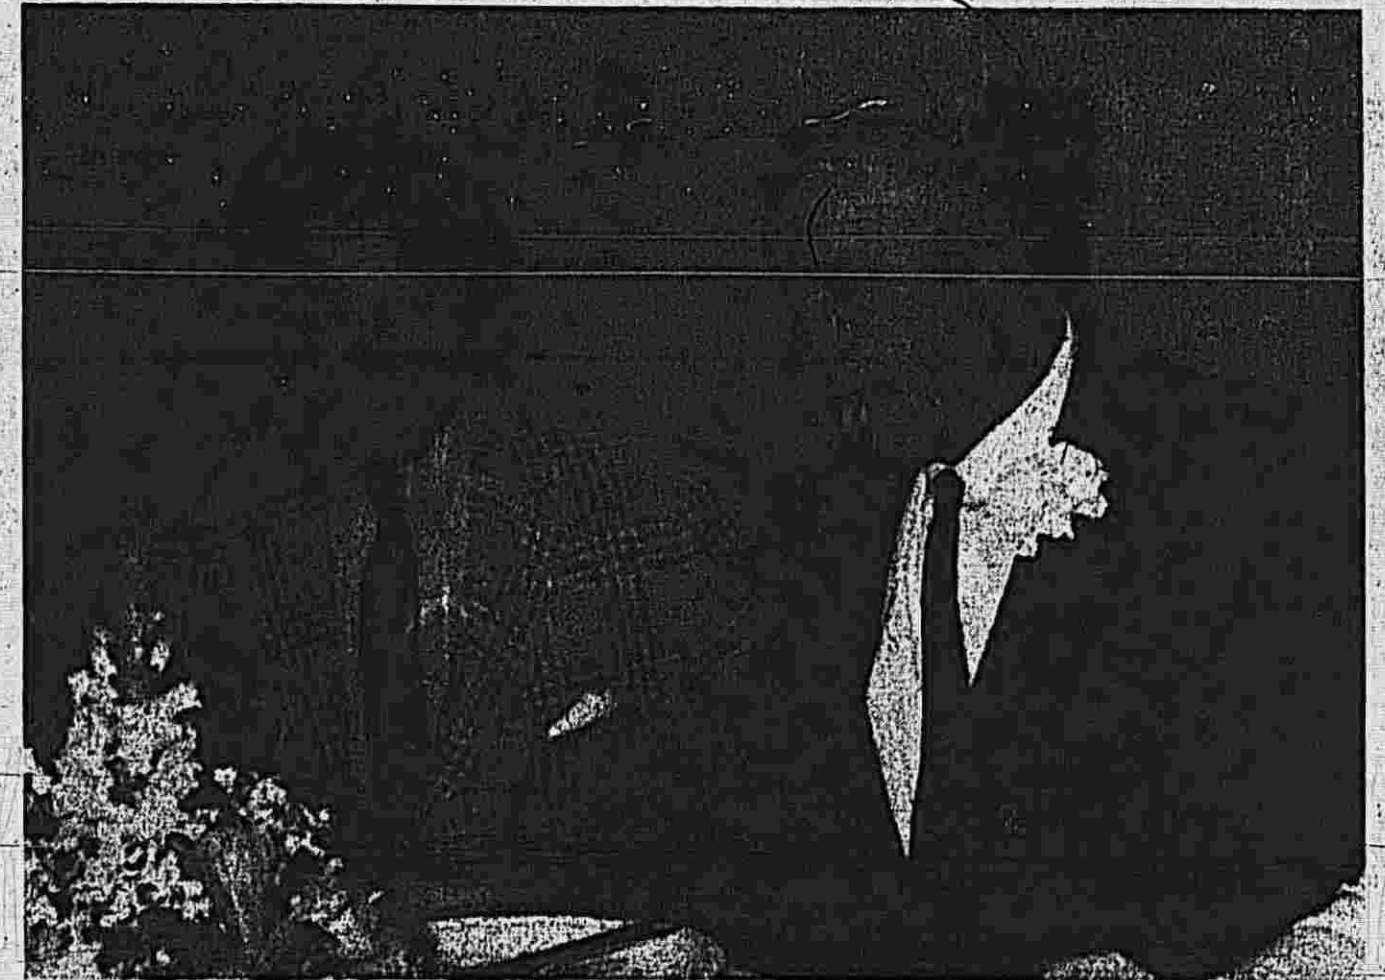

Grinnell, who had served for seven terms, was defeated by F. T. (Mike) Graham, a political newcomer who headed a non-partisan Better Government slate.

Graham polled 2,451 votes to lead his ticket to victory while Grinnell received 1,304 votes.

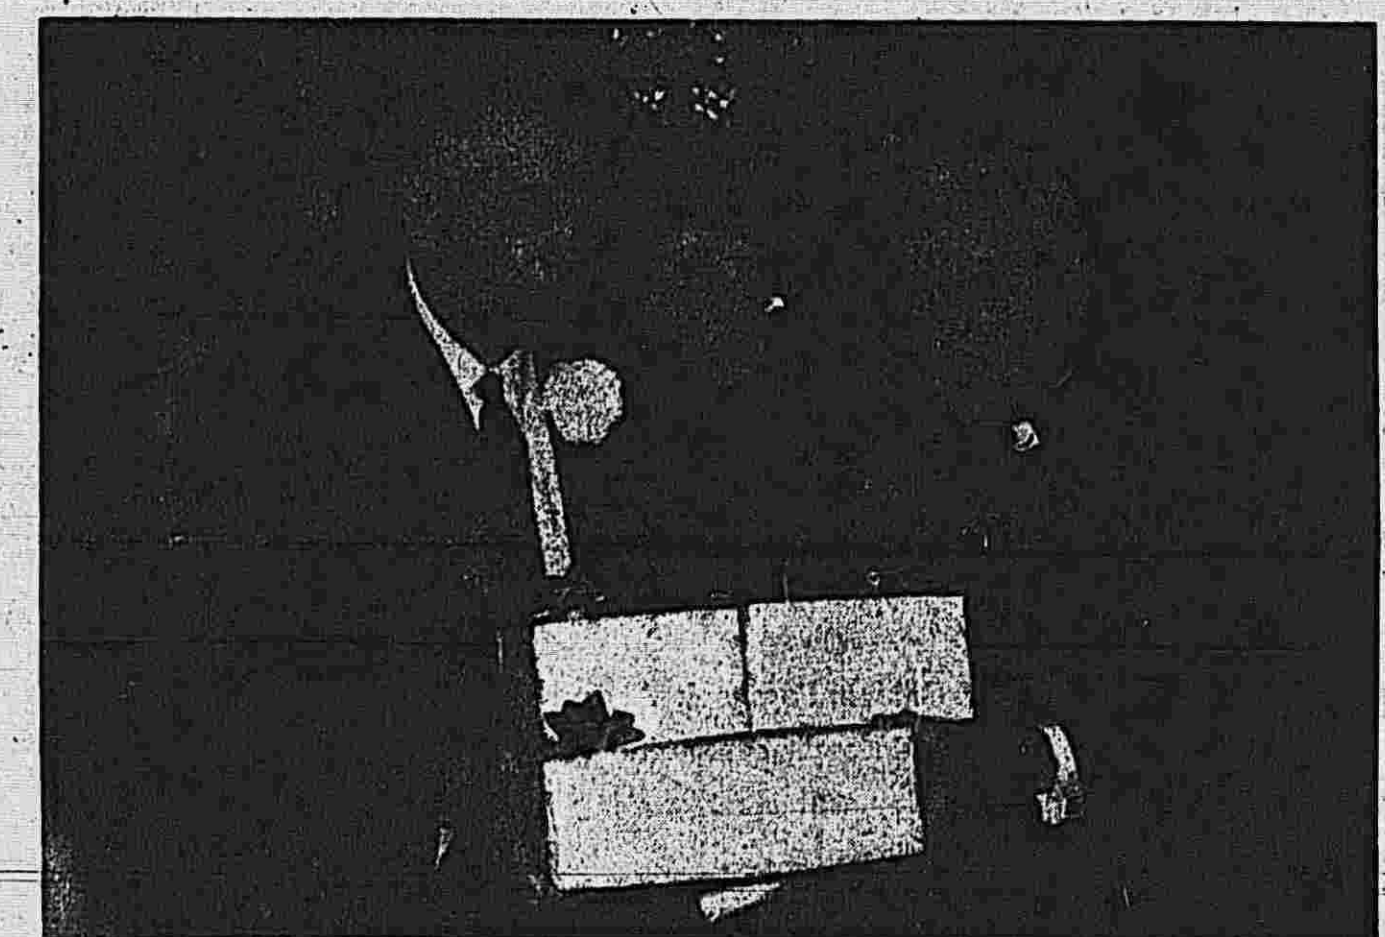

Cuba Supervisor Joseph P. Welch, long-regarded as the most powerful man on the county board, narrowly avoided defeat, eking out a 1,259 to 1,167 victory over Richard (Dick) Anderson in a battle of non-partisan slates.

In Wauconda Township incumbent Robert W. Dickson beat off a strong challenge by Ronald Paddock to retain his Supervisor post. Dickson, a former County Board chairman and a member of the "In" group, received 970 votes while Paddock polled 903 in a heated race.

Ron Coles, a Democrat who won a three-way race for Lake Villa Supervisor four years ago, easily turned back the comeback effort of Edward Tiede, 1,644 to 610, in a non-partisan contest and, in Elia Township, the ticket headed by Supervisor Harry Knigge overcame strong opposition by the community newspaper to remain in power.

SPORTS AND POLITICAL memories are exchanged during the VIP Dinner-Dance festivities Saturday night by Judge Otto Kerner, left, and James W. McMillen. McMillen, who was honored as Antioch's VIP, served in the Illinois Conservation Department under former Gov. Kerner.

ACCEPTING A SPECIAL gift as Antioch VIP is James W. (Jim) McMillen, left, who was honored at the First Annual VIP Dinner-Dance at St. Peter's Social Center Saturday. Making the presentation is Father Henderson, pastor at the sponsoring church.

McMillen Is Honored As 1st Antioch VIP

A prophet may be without honor in his own land, but a local Antioch boy who makes good can become an Antioch VIP.

This is what happened Saturday night to James W. (Big Jim) McMillen, who was honored at the first annual VIP Dinner-Dance at St. Peter's Social Center.

Neighbors, friends, relatives

came to honor the burly McMillen who found the heights as a football star at the University of Illinois, as a professional grid star with the original "Monsters of the Midway" and later as a professional wrestler in an era of wrestling giants and before the days of perfumed performers.

Jim came back to Antioch after his days as a professional performer on the gridiron and in the arena and took an active part in the political and business life of his hometown.

The dinner attracted 380 people including Federal Judge Otto Kerner, under whom McMillen served in the Illinois Conservation Department.

Mayor Raymond Toft presented McMillen with a plaque extolling him as an Antioch VIP. A scroll citing his achievements was presented him by area businessmen and St. Peter's parishioners presented him with a ship's clock.

Dr. Albert Bucar, master of ceremonies for the award dinner, introduced Judge Kerner, Mayor Toft and Father Alfred Henderson, pastor of St. Peter's.

Activities planned for the Illinois Delegation will commence with a reception in honor of Mrs. Richard Ogilvie on Monday evening, April 14 from 6:00 p.m. to 7:30 p.m. Hosts will be Mrs. Brooks McCormick, Mrs. Ray Polhill, Mrs. Victor Smith, and Mrs. Robert Stuart.

A reception honoring the Illinois Delegation will be hosted by Senator and Mrs. Charles Percy on Tuesday evening, April 15, at their Georgetown home. Wednesday noon, April 16, will find the

Rotary Club Slates Extinguisher Sale

Vern Thelen, Projects Committee Chairman, Jim Slavin and Roy Witke, co-chairmen of this sale, and Mike Ano, secretary of the Antioch Rotary Club, announced the Fire Extinguisher Sale. The sale will continue for at least a month. The goal is 500 units.

The Antioch Rotary Club is undertaking the sale of top brand fire extinguishers for the home, automobile, or boat, at about half normal retail price. The Rotary price of this extinguisher is \$7.50.

The extinguishers are re-fillable, and are fitted with a gauge showing their readiness to combat simple fires. Such fires are constant perils in all areas.

Mayor Ray Toft and Antioch Township Fire Chief Chas. Maples strongly recommend that each home, automobile and boat be protected with handy, simple to use fire extinguishers. Many fires can be stopped at once, or

their growth minimized while our fine fire department is on its way, if this simple protection is handy.

Antioch Rotary Club will use the profits from this sale to purchase, and present to the Antioch Community High School, a golf cart type conveyance to facilitate and speed up transportation of the attending doctor between the High School Building First Aid Station and the football field.

This new transportation will also be helpful in the case of any possible injury to spectators.

Antioch Over Top On Drive

James P. Hopkins, Lake County Independent Business Chairman, announces that the Independent Business Drive in Antioch under the leadership of Robert Berg has gone over the top by \$275.25.

The quota for the Independent Business Crusade was \$100.00. This is 375 per cent.

Berg, Community Chairman has had the following Crusaders: Stanley Toton, Robert Wilton, El-Roy Anderson, Rudy Eckert, Raymond H. Jensen, Jack Leslie, Dave Holman, Clarence B. Olson, Dan Dugenske, C. Abbate, Irving W. Carey.

These Crusaders called on approximately ten business firms each, leaving the pamphlet on the lifesaving facts of cancer and asking for a contribution.

There was indeed generous response from the business firms in Antioch, Hopkins remarked. Total for Antioch to date: \$375.25.

Expanda-Foam Inc. To Exhibit Product

Expanda-Foam, Inc., of Antioch, will be among 400 companies to exhibit at the American Management Association's National Packaging Exposition at the International Amphitheatre beginning April 14.

Virtually every major manufacturing company in the country will be represented.

Sewer Contract Bids Held Over Two Weeks

Acting on the recommendation of Mayor Ray Toft, the Antioch Village Board Tuesday postponed action on the awarding of a new sanitary sewer system to serve the sewage disposal plant.

Bids were received from three contractors with a low bid of \$13,507 being submitted by Robinson and Brock Sewer Contractors, of Gurnee.

A bid of \$13,598 was accepted from Cunningham Cartage Co. after some corrections were made in the arithmetic on the bid, and a bid of \$13,803.40 which also required adjustment, was received from Pentavalle and Ferraro Sewer Contractors.

The new sewer would replace

main which now carry sewage to a drainage creek from the treatment plant and would carry the sewage through a polishing pond before it is discharged into the creek.

Mayor Toft suggested the awarding of the bids be delayed until it is determined how far the Cunningham firm has progressed with excavation work being carried on in conjunction with the sewer installation.

The board rejected a proposal submitted two weeks ago by the Clark Outdoor Spraying Co. which would have provided aerial spraying over part of the village as a means of controlling mosquitoes. Trustee Irving Walsh pointed

out that the plan advanced by the spraying firm would not provide the protection desired.

Plans to annex property of the Faith Lutheran Church were discussed after Village Attorney Edward Jacobs reported he had met with church officials who expressed a willingness to join the village.

Adjoining property owners will be contacted to determine if they want to join the village voluntarily.

The trustees approved a recommendation by Trustee Art Meier-

dirk that a parking meter on Main St. at Murrie's Standard Station be removed and that "No Parking" signs be installed at the location.

Meierdird cited excessive congestion at the location as the reason for the recommendation.

Mayor Toft directed the Street and Traffic Committees to survey the intersections of Anita and McMillen Streets and Anita and Ida and submit a recommendation on traffic control signs to be installed.

People's Party Easy Winners

Incumbent Antioch Township officials were re-elected in Tuesday's balloting which turned out less than 2,000 voters.

Top vote-getter for the incumbent People's Party was Town Clerk Llewellyn Van Patten who polled 1,018 votes in scoring an easy victory over Richard (Dick) Waters, who headed the Taxpayers Independent Political Party and garnered 645 votes.

The race for Township Assessor drew most of the interest during the campaign, but G. Dudley Kennedy scored an easy victory in his bid for re-election outrunning George (King) Jaros 1,002 to 674.

In the race for the three Township Auditor seats John P. Miller, 932; Irving W. Carey, 928, and

Harold W. Wilson, 941 defeated Robert (Bob) Schroeder, 635; Frank J. Benes, 679, and Tom G. Robinson, 630.

School Board Elections On April 12

The Antioch Grade School District residents will elect two new board members on April 12 to fill three-year terms.

Four candidates are vying for the posts. They include Mildred LaPlant, Bernice K. Soladay, (Continued on page two)

What Is The Transfer Program At CLC

(Sixth in a series)
Every year greater demands are being placed on four-year colleges and universities with increased enrollment and rising costs. The community college is seen by education leaders as one of the answers to the bulging university campus.

With the opening of classes at the College of Lake County on September 11, a new opportunity for college students will exist. By utilizing the University Parallel, or college transfer, Program at CLC, a student can take his freshman and sophomore years on the local campus and transfer as a junior to the college of his choice to complete requirements for a baccalaureate degree.

Dr. R. Ernest Dear, Dean of Instruction at CLC, explains that courses being offered in the program have been developed in consultation with several public and private four-year universities which Lake County students generally attend. He explains that it is the intention of CLC that the University Parallel offerings will provide, as far as possible, the necessary combination of courses to allow students to transfer as a junior after successfully

completing two full years of study at CLC.

"The College aims to offer a comprehensive program including the majority of those courses which are considered to be within the freshman and sophomore level at the institution to which the student transfers. The need for this type of articulation is becoming more and more important (Continued on page six)

Mrs. W.C. Petty To Washington

Mrs. W. C. Petty of Antioch will be among the 200 Illinois women attending the 17th Annual Republican Women's Conference April 14-17 in Washington, D. C., who will be received by Mrs. Richard M. Nixon at a White House reception.

Land of Lincoln ladies luncheon with Senator and Mrs. Everett Dirksen in the office of the Minority Leader of the Senate. Following the luncheon, Congressman Robert McClory, 12th Dist., will be the official guide for a tour of the Capitol.

A Supper Gala honoring the Vice President will be held on the opening day of Conference registration, April 14, and will feature a group of Young people from the internationally famous "Up With People" singing group. A Grand Old Party Banquet honoring Mrs. Richard M. Nixon and her daughters, Tricia and Julie, will be held on Wednesday evening, April 16 at 7:30 p.m.

IN LOVING MEMORY OF
CLARENCE E. CUNNINGHAM
WHO PASSED AWAY MARCH
25TH, 1959

We'll never forget that sad day
When the one we loved was called away.

Dearest Father, we'll not ask
why.

The tears of sadness we must cry
For the loved one put to rest.

We know that Thy will was best.
All we know is we'll forget you never.

Your loving Memories will live
forever.

This is because you're living still,
Like all of Jesus' chosen will.

Yes, there Eternally forever to
stay.

From the sorrow, care and pain
away.

We still can see your happy,
loving smile.

It won't be long, we'll see it

SEASONINGS

Rosemary adds a wonderful
flavor to roast turkey. It also
does exciting things to steaks,
spinach and biscuit dough. It is
strong, so go lightly.

Oregano is good in meat dishes,
especially spaghetti, but is also
very good in tossed salads.

Thyme is an old standby in
soups and stews. It does delicious
things to fresh, frozen or canned
vegetables, especially scalloped
onions and eggplant. It gives
fritters and stuffings a new ap-
peal. It's indispensable with fish
dishes and clam chowder.

No dressing is complete with-
out sage, and it is good in cheese
and tomato dishes also. It gives
a new lift to cottage cheese.

Savory and Basil lend great
dignity to leftovers, and tang to
egg dishes.

Dill is good for more than
pickles. Just let a bit stand in
cottage cheese. A pinch is de-
lightful in tomato juice, or mash-
ed potatoes.

Why not plant some of these
herbs in your garden this spring?

It used to be papa dealt out
stern discipline to junior. Then
the electric razor took away the
razor strop, furnaces took away
the woodshed, and tax worries
took the hair and hairbrush.
That's why kids are running wild
today. Dad's just plain ran out
of weapons.

Man's technological develop-
ments accelerate at a staggering
pace. It is said that 90 per cent
of all the scientists who ever
lived are alive today, and with
the present rate of population
growth this statement may re-
main true for many years.

No Change Seen In County Board Rule

Township elections throughout Lake County saw one veteran leader of the Lake County Board of Supervisors go down to defeat, but the alignment of the board appeared to be unchanged, apparently paving the way for a second term as Chairman for Warren Supervisor Robert Depke. Depke squeezed out a narrow victory for election to his third term in a three-way race that saw him getting less than a majority of the votes cast.

Depke, heading an incumbent ticket running as Republicans, garnered 1,318 votes to 1,240 votes for Donald Morris, who headed the Better Government slate, and 725 votes for Edward Jensen, a late-filing Independent.

In Libertyville Township an all-incumbent Republican Party slate headed by Guy L. Grinnell, long-time County Board power, went down to defeat in a stunning upset although most observers had predicted a close battle in the race.

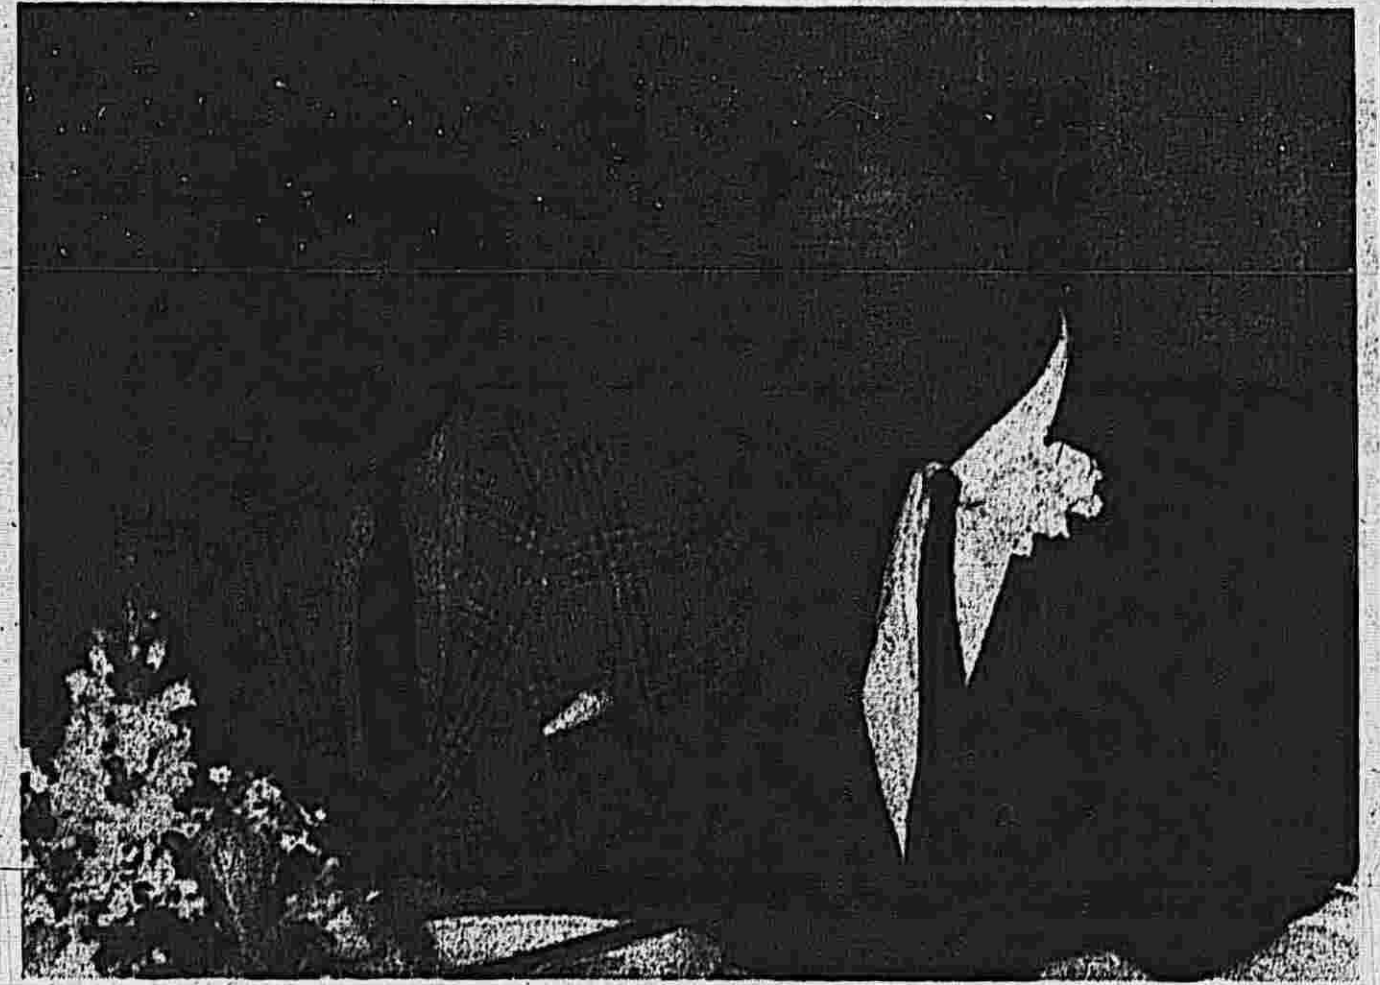

Grinnell, who had served for seven terms, was defeated by F. T. (Mike) Graham, a political newcomer who headed a non-partisan Better Government slate.

Graham polled 2,451 votes to lead his ticket to victory while Grinnell received 1,304 votes. Cuba Supervisor Joseph P. Welch, long-regarded as the most powerful man on the county board, narrowly avoided defeat, edging out a 1,259 to 1,167 victory over Richard (Dick) Anderson in a battle of non-partisan slates.

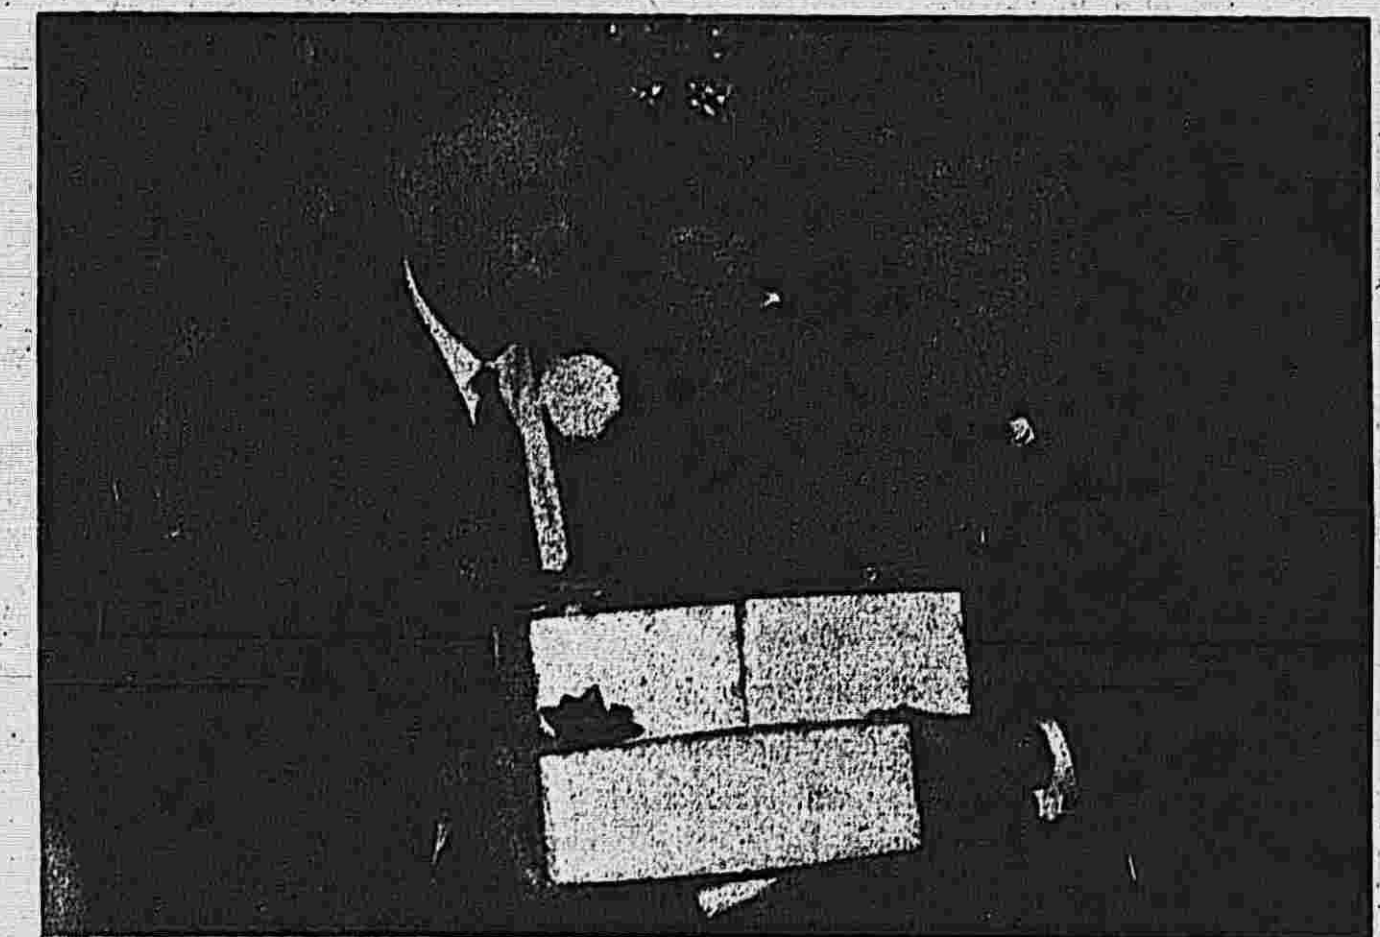

In Wauconda Township incumbent Robert W. Dickson beat off a strong challenge by Ronald Paddock to retain his Supervisor post. Dickson, a former County Board chairman and a member of the "In" group, received 970 votes while Paddock polled 903 in a heated race.

Ron Coles, a Democrat who won a three-way race for Lake Villa Supervisor four years ago, easily turned back the comeback effort of Edward Tiede, 1,644 to 810, in a non-partisan contest and, in Elia Township, the ticket headed by Supervisor Harry Knigge overcame strong opposition by the community newspaper to remain in power.

Knigge, a fringe member of the "Establishment", out-pollied Banker Gordon Beaubien 1,418 to 1,011, and carried his slate along with him. Newcomer Harry Robin swept to an expected victory in Grant where he will replace the late Frank Valenta as Supervisor and is expected to align himself with the controlling bloc while Supervisor Bruce Frost, of West Deerfield Township, defeated Edwin Gillen, 1,203 to 1,053.

SPORTS AND POLITICAL memories are exchanged during the VIP Dinner-Dance festivities Saturday night by Judge Otto Kerner, left, and James W. McMillen. McMillen, who was honored as Antioch's VIP, served in the Illinois Conservation Department under former Gov. Kerner.

ACCEPTING A SPECIAL gift as Antioch VIP is James W. (Jim) McMillen, left, who was honored at the First Annual VIP Dinner-Dance at St. Peter's Social Center Saturday. Making the presentation is Father Henderson, pastor at the sponsoring church.

McMillen Is Honored As 1st Antioch VIP

A prophet may be without honor in his own land, but a local Antioch boy who makes good can become an Antioch VIP.

This is what happened Saturday night to James W. (Big Jim) McMillen, who was honored at the first annual VIP Dinner-Dance at St. Peter's Social Center.

Rotary Club Slates Extinguisher Sale

Vern Thelen, Projects Committee Chairman, Jim Slavin and Roy Witke, co-chairmen of this sale, and Mike Ano, secretary of the Antioch Rotary Club, announced the Fire Extinguisher Sale. The sale will continue for at least a month. The goal is 500 units.

The Antioch Rotary Club is undertaking the sale of top brand fire extinguishers for the home, automobile, or boat, at about half normal retail price. The Rotary price of this extinguisher is \$7.50. The extinguishers are re-fillable, and are fitted with a gauge showing their readiness to combat simple fires. Such fires are constant perils in all areas.

The dinner attracted 380 people including Federal Judge Otto Kerner, under whom McMillen served in the Illinois Conservation Department.

Mayor Raymond Toft presented McMillen with a plaque extolling him as an Antioch VIP. A scroll citing his achievements was presented him by area businessmen and St. Peter's parishioners presented him with a ship's clock.

Dr. Albert Bucar, master of ceremonies for the award dinner, introduced Judge Kerner, Mayor Toft and Father Alfred Henderson, pastor of St. Peter's.

Mrs. W.C. Petty To Washington

Mrs. W. C. Petty of Antioch will be among the 200 Illinois women attending the 17th Annual Republican Women's Conference April 14-17 in Washington, D. C., who will be received by Mrs. Richard M. Nixon at a White House reception.

Activities planned for the Illinois Delegation will commence with a reception in honor of Mrs. Richard Ogilvie on Monday evening, April 14 from 6:00 p.m. to 7:30 p.m. Hosts will be Mrs. Brooks McCormick, Mrs. Ray Polhill, Mrs. Victor Smith, and Mrs. Robert Stuart.

A reception honoring the Illinois Delegation will be hosted by Senator and Mrs. Charles Percy on Tuesday evening, April 15, at their Georgetown home. Wednesday noon, April 16, will find the

Land of Lincoln Ladies luncheon with Senator and Mrs. Everett Dirksen in the office of the Minority Leader of the Senate. Following the luncheon, Congressman Robert McClory, 12th Dist., will be the official guide for a tour of the Capitol.

A Supper Gala honoring the Vice President will be held on the opening day of Conference registration, April 14, and will feature a group of Young people from the internationally famous "Up With People" singing group. A Grand Old Party Banquet honoring Mrs. Richard M. Nixon and her daughters, Tricia and Julie, will be held on Wednesday evening, April 16 at 7:30 p.m.

Antioch Over Top On Drive

James P. Hopkins, Lake County Independent Business Chairman announces that the Independent Business Drive in Antioch under the leadership of Robert Berg has gone over the top by \$275.25.

The quota for the Independent Business Crusade was \$100.00. This is 375 per cent.

Berg, Community Chairman has had the following Crusaders: Stanley Toton, Robert Wilton, El-Roy Anderson, Rudy Eckert, Raymond H. Jensen, Jack Leslie, Dave Hothan, Clarence B. Olson, Dan Dugonske, C. Abbate, Irving W. Carey.

These Crusaders called on approximately ten business firms each, leaving the pamphlet on the lifesaving facts of cancer and asking for a contribution.

There was indeed generous response from the business firms in Antioch, Hopkins remarked. Total for Antioch to date: \$375.25.

Expanda-Foam Inc. To Exhibit Product

Expanda-Foam, Inc., of Antioch, will be among 400 companies to exhibit at the American Management Association's National Packaging Exposition at the International Amphitheatre beginning April 14.

Virtually every major manufacturing company in the country will be represented.

Sewer Contract Bids Held Over Two Weeks

Acting on the recommendation of Mayor Ray Toft the Antioch Village Board Tuesday postponed action on the awarding of a new sanitary sewer system to serve the sewage disposal plant.

Bids were received from three contractors with a low bid of \$13,587 being submitted by Robinson and Brock Sewer Contractors, of Gurnee.

A bid of \$13,598 was accepted from Cunningham Cartage Co. after some corrections were made in the arithmetic on the bid and a bid of \$13,803.40 which also required adjustment, was received from Pentaville and Ferraro Sewer Contractors.

The new sewer would replace

main which now carry sewage to a drainage creek from the treatment plant and would carry the sewage through a polishing pond before it is discharged into the creek.

Mayor Toft suggested the awarding of the bids be delayed until it is determined how far the Cunningham firm has progressed with excavation work being carried on in conjunction with the sewer installation.

The board rejected a proposal submitted two weeks ago by the Clark Outdoor Spraying Co. which would have provided aerial spraying over part of the village as a means of controlling mosquitoes.

Trustee Irving Walsh pointed

out that the plan advanced by the spraying firm would not provide the protection desired.

Plans to annex property of the Faith Lutheran Church were discussed after Village Attorney Edward Jacobs reported he had met with church officials who expressed a willingness to join the village.

Adjoining property owners will be contacted to determine if they want to join the village voluntarily.

The trustees approved a recommendation by Trustee Art Meier

that a parking meter on Main St. at Murrie's Standard Station be removed and that "No Parking" signs be installed at the location.

Meierdick cited excessive congestion at the location as the reason for the recommendation.

Mayor Toft directed the Street and Traffic Committees to survey the intersections of Anita and McMillen Streets and Anita and Ida and submit a recommendation on traffic control signs to be installed.

People's Party Easy Winners

Incumbent Antioch Township officials were re-elected in Tuesday's balloting which turned out less than 2,000 voters.

Top vote-getter for the incumbent People's Party was Town Clerk Llewellyn Van Patter who polled 1,018 votes in scoring an easy victory over Richard (Dick) Waters, who headed the Taxpayers Independent Political Party and garnered 645 votes.

The race for Township Assessor drew most of the interest during the campaign, but G. Dudley Kennedy scored an easy victory in his bid for re-election outrunning George (King) Jaros 1,002 to 674.

In the race for the three Township Auditor seats John P. Miller, 932; Irving W. Carey, 920, and

Harold W. Wilson, 591 defeated Robert (Bob) Schroeder, 635; Frank J. Benes, 679, and Tom G. Robinson, 630.

School Board Elections On April 12

What Is The Transfer Program At CLC

(Sixth in a series)
Every year greater demands are being placed on four-year colleges and universities with increased enrollment and rising costs. The community college is seen by education leaders as one of the answers to the bulging university campus.

With the opening of classes at the College of Lake County on September 11, a new opportunity for college students will exist. By utilizing the University Parallel, or college transfer, Program at CLC, a student can take his freshman and sophomore years on the local campus and transfer as a junior to the college of his choice to complete requirements for a baccalaureate degree.

Dr. R. Ernest Dear, Dean of Instruction at CLC, explains that courses being offered in the program have been developed in consultation with several public and private four-year universities which Lake County students generally attend. He explains that it is the intention of CLC that the University Parallel offerings will provide, as far as possible, the necessary combination of courses to allow students to transfer as a junior after successfully

completing two full years of study at CLC.
"The College aims to offer a comprehensive program including the majority of those courses which are considered to be within the freshman and sophomore level at the institution to which the student transfers. The need for this type of articulation is becoming more and more important (Continued on page six)

EDITORIAL

All-American

Dwight David Eisenhower. Soldier, Statesman. Human Being. Strange that he is not regarded as Dwight David Eisenhower, Politician, even though he held the most political office in the world.

Strange, because he possessed many of the attributes which most successful politicians, those who have been elected to a succession of public offices or who have captured the public affection, have possessed.

"Ike" Eisenhower had a warmth of personality, a charisma if you will, which transcended political partisanship except with the most blinded. He had a conciliatory approach which enabled him to blunt the arrogance, the aggressiveness, and the ambition of more colorful, more exciting field commanders.

The Eisenhower magic was in the graceful acceptance of honors which came his way, a grace hiding a steely core which enabled him to rise to the heights and "get the job done" with a minimum of fanfare, a minimum of glory-seeking.

The spontaneous two-handed salute of exuberance would have seemed corny on some and phony on others; the infectious grin would have been scorned if it hadn't been so genuine.

History may deal with him harshly as a President or pass him over with slight recognition, but to those who came his way, in peace or war, he will be remembered as "Ike", All-American.

Give It A Try

The State Highway Department during the past five years has spent many thousands of dollars installing traffic dividers and right turn lanes at major intersections in an effort to speed the flow of traffic.

Speeding the flow of traffic is, after all, the name of the game insofar as use of our highways is concerned.

Now it is time to take the next step. Utilization of these right turn lanes to the fullest.

Local officials should urge the State Highway Department to erect signs reading "Right Turn Permitted on Red Light After Stop" at all State Highway intersections where traffic dividers and right turn lanes have been constructed. The state traffic law permits such turns where signs are posted.

This would include the intersections of Rtes. 83 and 173, Rtes. 59 and 173, and Rtes. 173 and 45.

And while they are about it the local officials might suggest some changes in the system at Lake St. and Main St. A protected left turn for northbound traffic might ease some of the congestion at this vital intersection.

Big Daddy Drive Backers Lose

There may come a time when the name of First St. between Main St. and Highland is changed but it won't be to Big Daddy Drive.

The new name was suggested at the Village Board meeting two weeks ago because of the

numerous progeny who call the street home.

The recommendation was submitted to the Street Committee for consideration and it quickly became apparent that the majority of the residents on the street were less than pleased with the suggestion.

The street committee recommended that First St. remain unchanged at least until a more suitable designation is forthcoming.

Full Honors Accorded Lake Villa Vet

Sgt. Herbert C. Spencer, 21 years old of Venetian Village near Lake Villa, passed away Wednesday, March 19, 1969, in Vietnam from injuries received while in combat. He was born Sept. 14, 1947 at Elmhurst, Ill., and had resided in Franklin Park, Ill., before moving to Venetian Village in 1949.

He graduated from Lake Villa Grade School and from Grayslake High School in 1965. He entered service on August 31, 1967.

Sgt. Spencer had been employed at Frank G. Hough Co. in Libertyville on the engine assembly until the time of entering service. He is now on military leave of absence from that company.

He received the Purple Heart and several other medals and awards for bravery.

He is survived by his parents, Robert W. and Emma Spencer of Venetian Village, three brothers, William, David and James Spencer, all at home, one sister, Diane Spencer, at home, his maternal grandmother, Mrs. Loreen Vaage of Seal Beach, Calif., and his paternal grandfather Walter Spencer of Antioch.

Full military funeral services were held at 1:00 p.m. on Wednesday April 2, at Strang Funeral Home in Antioch. Mr. William Peterson will officiate at the services.

Interment was in Edens Memorial Park Cemetery at Schiller Park, Ill.

Shakespeare Play Is On Agenda

The Antioch Community High School Sophomore English Classes of Miss Barbara Balsamello will bus to Old Orchard on April 3, to see a performance of Romeo and Juliet.

The bus will leave the high school at 6:15 p.m. and return at approximately 10:30 p.m.

Miss Balsamello's classes are currently studying Shakespeare's classic story in their classes and will be able to profit greatly from seeing it performed.

Journalism Class To View Newspapers

The Antioch Community High School Journalism class will go to the Antioch News and the Waukegan News Sun on April 8, 1969, to view the processes involved in the publication of a newspaper.

Emory Chandler, the class instructor and sponsor of the school newspaper the Tom Tom, indicates that watching the steps necessary in putting both a small weekly and a large daily paper in print will help the journalism students understand and appreciate the complexities and problems involved in the publication of a newspaper.

Civic Club Support Sought By Powell

Elgin, March 25—Secretary of State Paul Powell today called for civic club support of traffic safety legislation, including measures implementing the recommendations of the Drivers License Citizens Advisory Committee.

In a talk before the Kiwanis club here, Powell said he is convinced these measures have sufficient merit of their own to be enacted, but he added, legislative bodies have a way of waiting until the people have shown a clear

choice of the direction they wish to go, they want an expression of the needs and desires of their constituents.

"I want to ask you to give them that expression," Secretary Powell said.

The Citizens Advisory Committee, appointed by Powell about a year ago, spent eight months studying the Drivers License Law and its administration and developing recommendations for its improvement.

Among the recommendations is the establishment of a Medical Advisory Board to assist the Secretary of State to evaluate drivers to determine if an individual's physical or mental condition might impair his driving abilities.

"Through this board, we will be able to detect potentially dangerous physical and mental conditions which could lead to highway tragedies," Secretary Powell said.

Jr. College To Construct Buildings

The Board of the College of Lake County unanimously approved plans and specifications for interim facilities of the College during its meeting last week. As a result, the Board voted to advertise for the construction of the buildings to be erected on a site facing Druce Lake Road west of Route 45 near Grayslake.

Timetable for the project calls for sealed proposals to be received from contractors by 4:00 p.m. Tuesday, April 15 in the College offices, 2615 West Washington Street, Waukegan. Copies of the plans and specifications are now available to interested bidders in the College office. Plans call for six buildings with approximately 10,000 square feet each, to be completed in 90 days or less and ready for occupancy in time for the CLC fall term.

Following opening of the bids, Edward F. Bartz, Jr., of the Illinois office of Hellmuth, Obata and Kassabaum, Inc., St. Louis, CLC architects, will review the bids and make recommendations to the College Board. It is expected the contract will be awarded shortly thereafter.

In other business, the Board adopted an official resolution calling for the election of Board members on April 12. At stake are two seats. Mrs. Thelma Sandee of Waukegan and Oby Cowan of North Chicago are seeking reelection for their first full term.

A third candidate has also filed. Walter Kroll of North Chicago, former trustee on the Board of Education of North Chicago Community High School, has announced his candidacy.

The formal resolution calls for polling places to coincide with those used by high schools for their board elections that day. High school districts within the Junior College District are Antioch, Grant, Grayslake, Lake Zurich, Libertyville, Mundelein, North Chicago, Round Lake, Warren, Wauconda, Waukegan, and Zion-Benton. In choosing to use the same facilities, the CLC Board expressed the desire to make it as convenient as possible for voters to participate in the election.

Absentee voting may be accomplished by either personally voting at the College office beginning April 1 or by requesting an application by mail from the Secretary of the Board, College of Lake County, 2615 West Washington Street, Waukegan, Illinois 60085. The last day for personally voting is Wednesday, April 9, and mailed applications must be received by the College on or before April 7, 1969.

Red Cross Offering First Aid

The Lake County Region of the Mid-America Chapter, American Red Cross is offering an Industrial First Aid Training Seminar to employers and business firms located in Lake County, Illinois.

According to Joseph Leccesi, First Aid Volunteer Chairman, the Seminar will consist of a series of all-day meetings to be held one day a week for five consecutive weeks at the J-M Club, 708 Greenwood Avenue, Waukegan, Ill.

Leccesi said the classes will be conducted for firms desiring to have qualified first aid employee-instructors on their own payrolls. Employees successfully completing the five sessions will be certified as first aid instructors by the Red Cross—and thus will be able to teach lifesaving skills and emergency first aid procedures to other workers in a firm.

"Employees who are properly trained in first aid procedures can perform two profitable jobs for an employer," explained Leccesi. "They can meet emergencies with sensible, approved action and they can be informal leaders—helping other workers to become more safety conscious."

He noted that business loses some five billion dollars each year as a result of injuries to employees on the job.

"Red Cross first aid training can help to reduce the time an employee is away from his job, and may prevent a minor injury from becoming a major disability—with a lot of lost-time to the employer," commented Leccesi.

Subjects to be covered include artificial breathing assistance, emergency bandaging and first aid, and care of the accident victim until the doctor arrives.

The class begins on the 9th of April, 1969 at 9:00 a.m. All firms interested in sending a representative should contact the American Red Cross, Lake County Region.

Powell Sets Date For Truck Tag Renewal

Springfield, Ill.—Truckers and other second division vehicle owners who wish to retain their present license numbers for the fiscal year beginning July 1 will have the month of April to request reassignment of those numbers, Secretary of State Paul Powell announced.

The reassignment requests must be received in his office on or before April 30, Powell said. The types of vehicles affected include trucks, truck-tractors, trailers, semi-trailers, recreational vehicles, permanently mounted equipment, mileage tax, installment plan and auxiliary axle.

The 1967 session of the General Assembly enacted legislation to license second division vehicles on a fiscal year instead of a calendar basis, Secretary Powell explained. These vehicles will be licensed in the future for a 12-month period from July 1 through June 30.

The initial registration of such vehicles for 1969 was for six months only, at half the annual fee, and the present plates and registrations will expire June 30, Powell said.

Cong. McClory Eulogizes Eisenhower

From his Washington office, Congressman Robert McClory (R-Lake Bluff) issued the following statement in tribute to former President Eisenhower:

"The passing of General Dwight D. Eisenhower moves the entire nation and saddens the hearts of people everywhere. General Eisenhower achieved greatness on many fields of battle in addition to his military career. In public and in private, General Eisenhower's life provided exemplary moral and spiritual leadership for this and future generations to emulate. In addition to his successful administrations as our nation's Chief Executive, his many qualities have inspired all forward-looking people of our nation and of the world.

"I extend my heartfelt sympathy to Mrs. Eisenhower and to the other members of the family. And, as General and Mrs. Eisenhower have been in the 12th Illinois District on many occasions, it is fitting that I convey the great sense of loss experienced by all of us who reside in that area."

Salem Central Lets Bus Contract Bids

At its regular March meeting, the board of education of Central High School, Salem, Wis., read bids on two new buses. Awards were made for chassis to Hartnell Chevrolet of Salem and bodies to Superior Coach.

The spring athletic budget was passed after a 15 per cent cut was ordered. The resignations of Francis Kohler and Doris Schurbert were accepted, effective June 1.

After the reading of communications and completion of routine

A STANSI AWARD and an Outstanding Award were presented to Jim McDowall, Antioch High School student, left, for his science exhibit entered in the recent Wheeling District Science Fair. Outstanding Awards were earned by Brian Pedersen and Kirk Dalggaard, also of ACHS for their exhibits. All three students will compete in the State Science Exposition at the University of Illinois, Urbana, in May.

Local Government Crisis To Be Discussion Subject

Pending legislation affecting local government, including a bill that would abolish the existing township form of government in Lake County, will be examined in a panel discussion in Waukegan April 12.

The afternoon panel and an evening dinner, to be addressed by Waukegan Mayor Robert Sabon-

business, the meeting was adjourned.

MODERN AMERICAN

The modern American drinks Brazilian coffee from an English cup while sitting on Danish furniture after coming home from an Italian movie in his German car. Then he picks up a Japanese ball-point pen to write a letter to his congressman demanding that something be done about all the gold that's leaving this country.

jian, are sponsored by Republican Voters of Illinois, a statewide organization "of Independents, Republicans and those who should be."

Jerry K. Brantley, RVOI president, said the panel discussion will be from 2-4:30 p.m. Saturday, April 12, at the —M Club in Waukegan and the dinner will be at 7 p.m. at the same location.

Discussion leaders on the panel include Clarence Pontius, Vernon Township Supervisor (Lake County), John G. Woods, mayor of Arlington Heights and author of the "Ten Town Municipality" concept, Dr. Robert G. Ducharme, deputy director of the Northeastern Illinois Planning Commission, and state Sen. Daniel Dougherty (D-Chicago), chairman of both the Election Laws and County Problems commissions.

Mayor Sabonjian, who had been elected to three consecutive four-year terms as mayor of Wauke-

gan as a Democrat, recently left that party to become a Republican. In February of this year, Sabonjian not only won the Republican primary nomination for mayor but also received two-thirds as many Democratic write-in votes as the Democratic nominee got in total votes. The general election will be held April 15. Republican Voters of Illinois is

a new organization which plans to take stands on legislative matters and foster discussion generally about issues facing citizens across the state. Its initial conference was held in Peoria in February at which workshops delved into the questions of campus turmoil and state aid to private education. The evening speaker was Lt. Gov. Paul Simon.

Brantley, a Tazewell County Republican precinct committeeman from Pekin, said tickets for either or both the panel discussion and the evening dinner may be obtained at RVOI headquarters, 7036 W. 22nd St., Berwyn, or at J-M Club on April 12.

Mr. and Mrs. Douglas M. Black

Leslie Ann Beese Weds Douglas Black

Leslie Ann Beese, daughter of Mr. and Mrs. Earl J. Beese, of Antioch, became the bride Feb. 1 of Douglas M. Black, son of Mr. and Mrs. Melville Black, of Waukegan, at a double-ring ceremony in Millburn Congregational Church, Millburn.

The Rev. Lauren Messersmith officiated at the ceremony.

The bride chose an empire style white satin, fur-trimmed gown with a fingertip illusion veil and a fur headpiece. The gown was accented by an eight-foot satin train from the shoulders. The gown was made by her grandmother, Mrs. Ruth Beese, of Chicago.

She carried white roses and stephanotis in a cascade through a small, white Bible.

The maid of honor, Miss Deborah Thompson, a cousin, and the bridesmaid, Mrs. Harriet Winstrom, wore empire style gowns of emerald green cut velvet and crepe and white fur muffs and carried white roses and ivy.

Jenny Beese, the bride's sister, served as flower girl and wore a dress of white cut velvet and

emerald green crepe and carried a basket of white roses and ivy.

Bill Newyear was best man and ushers included Spencer Sauter, Robert Beese, and Bill Beese, the bride's brothers.

Soloist for the morning wedding was George Davis and the organist was Mrs. Margaret Aschenbrenner. Special music was the Lord's Prayer, Hollow Reed, and Feed My Sheep, a Christian Science Hymn by Mary Baker Eddy.

The groom is a senior at Illinois Wesleyan, Bloomington, and the bride is a junior at Northern Illinois University transferred to ISU in Bloomington, Normal, for the remainder of the year.

A reception was held at Lauren Hall, Millburn Congregational Church and was hosted by Mr. and Mrs. Beese, Rev. and Mrs. Messersmith and Mrs. Bernice Anderson and the Mylo Ladies Society.

The bride and groom are both members of the Christian Science faith and are active members of the Christian Science College Organization on the campus at Illinois Wesleyan University.

Legion Auxiliary

By Del Jahneke

The Antioch American Legion Auxiliary No. 748 will hold their regular meeting on Friday, April 11th, at 8:00 p.m., at the Antioch American Legion Home.

Honored guests that evening will be Mrs. William Franzen, Libertyville, 2nd Division President, and the 10th District Auxiliary officers, headed by Mrs. Richard Brady, Gurnee, District Director.

Mrs. Ray Rathmann, Americanism Chairman, will present cash awards to the winning contestants in the Americanism essay contest. Both the winners and their parents are also invited guests of the unit.

The hostess chairman is Mrs. Lester Zitkus; with Mrs. Deborah Van Patten, Mrs. Clarence Larson, Mrs. Harold Ellis, and Mrs. Scott Birdsell, as her committee.

The 10th District American Legion Auxiliary will be holding its spring meeting on April 16th, at 8:00 p.m., at the Lake Zurich American Legion Home. Mrs. Brady will be the presiding officer.

Tenth District Legion Council officers, headed by Commander Dan Kalasa, Mundelein, will be guests of honor, and will also serve as judges for the Poppy Hat and Poppy Corsage contest. Mrs. Chester Schwerman, Libertyville, District Poppy Chairman, states that she hopes there will be many contestants, as there have been in previous years. Members wishing to be entrants in this contest, should contact Mrs. Bernard DeVries, local unit poppy chairman.

A Memorial Service, commemorating this past year's deceased members, will be conducted by Mrs. Thomas Rizzo, Lake Zurich, District Chaplain, Mrs. F. A. Swenson will also take part in this ceremony, since the Antioch Unit lost a member this year. Mrs. Nason Sibley is their deceased unit member.

Mrs. James Brennan, Round Lake, Dist. Americanism Chairman, will introduce the nine winners in district competition, in the three classes of the Americanism essay contest. Each first place winner receives a \$25.00 U.S. Savings Bond, and their essays have already been entered into the state competition.

Mrs. Bernard Stadick, District Community Service Chairman, urges all unit community service chairmen to aid their auxiliary in helping to beautify their communities by planting trees, shrubbery, and flowers in public parks, etc., wherever they are needed and wanted. She suggests that more unit members participate in Cancer, Heart, Red Cross, Multiple Sclerosis, etc. drives, and that all units should contribute to worthy causes.

Many Lake County Units sponsor Brownie and Girl Scout troops. Although many American Legion Auxiliary members are already very active in youth work, teaching Sunday School, serving as Cub Scout Den Mothers, working on election boards, school boards, and in Parent-Teacher Organizations, there is always need for additional assistance.

Mrs. Frank Kennedy is Antioch unit community service chairman. There was a meeting of the District Nominating Committee, at the home of Mrs. Edward Jahneke, chairman. The other four members of the committee are Mrs. Gerald Wagner, Lake Forest; Mrs. Preston Hayes, Baxter-Evans; Mrs. Herbert Gleason, Libertyville, and Mrs. William Schultz, North Chicago. The committee will announce the slate of District Officers at the April 16th District meeting.

OUT OF TOWN VISITORS
Mrs. Elizabeth Shepard of Greencastle, Ind., the Robert Gastons of Mesa, Arizona, and the Elvis Erkmans of Carmel, Ill., are guests at the home of Mrs. H. B. Gaston this week.

If mankind profits from past mistakes, what a honey of a future is coming!

Melonnie Jensen

Melonnie Jensen Tapped at Drake

Melonnie Jensen, daughter of Mr. and Mrs. Robert Jensen, 477 First St., Antioch, Illinois, was one of eleven students to be tapped for the Drake University Sieve and Shears Chapter of Mortar Board at the campus tapping ceremony March 24.

Junior women demonstrating ideals of scholarship, leadership and service are tapped for Mortar Board.

Melonnie is a junior in the College of Fine Arts.

Miss Jensen was also elected to the membership of the Drake University chapter of the National Residence Hall Honorary, as she represents the top one per cent of the student body in residence halls at Drake University.

Bruce Muir At Vassar This Spring

Bruce R. Muir of Antioch is spending the spring semester as an exchange student at Vassar College for Women in Poughkeepsie, New York.

Muir, a sophomore, is one of 33 Trinity students involved in the exchange with Vassar, which also includes students from Williams College and Colgate University. Seventeen Vassar girls are attending Trinity College this semester under the program.

Trinity College, an all-male institution since its founding in 1823, has announced it will go co-educational effective in September, 1969.

Muir is the son of Mr. and Mrs. Blythe D. Muir, of Route 4, Antioch.

'Neighbors' Honor Frieda Wertz

The Royal Neighbors Olson Camp No. 459 held its meeting at the American Legion Hall March 25, 1969.

The flag of our country was presented by Effie Nelson and the pledge of allegiance was said by all.

The Officers Dinner under the guidance of Pearl Anderson was a huge success. Cards were played afterwards.

The new officers for the year are:

Bea Milz—President
Myrtle Delaney—Secretary-Treasurer

The officers' special meeting is held every second Tuesday of the month.

A special beautiful birthday cake for Frieda Wertz was enjoyed by all.

A wedding gift of a beautiful lamp was presented to Mrs. Gladys Mulhauer.

Our neighbor Adah Nicholas has returned home from the hospital smiling and chipper as ever.

The kitchen committee for the evening was Vivian Hurley and Dot Golden.

The next meeting of the Royal Neighbors Olson Camp No. 429 will be held April 8, at the American Legion Hall at 8:00 p.m.

June (Mrs. Adolph) Bentel, of Antioch, is recovering in Victory Memorial Hospital, Waukegan, after undergoing surgery.

Antioch can anticipate April showers during the coming days and theatre-goers can look forward to the coming of "The Rainmaker" to the PM&L Theatre on April 18, 19, 25 and 26 at 8:30 p.m.

One of the biggest tasks a director of a production has is to choose a good cast. Don Beveroth, a teacher in the English department at ACHS, has directed many plays for PM&L and, as usual, has chosen a stellar group.

Bob Holiday from Lake Villa stars as the Rainmaker, Bill Starbush. Bob is married, has three children, and is a columnist for the Waukegan News-Sun. He started on the stage in college at the University of Wyoming. He played in "Mr. Roberts" on Broadway, in "Hay Fever" and "The Play's the Thing" in summer stock in Connecticut and was in PM&L's production of "Tom Sawyer," along with his daughter, Leslie.

Marybeth Vaughan Bentel, formerly of Lake Villa and now of Antioch is no newcomer to PM&L. Audiences will remember her in "Heidi," "A Far Country," "Visit to a Small Planet" and especially as the vivacious and flirtatious Bianca in "Kiss Me Kate." She was the thrilled recipient of the Mr. Thesis award for being the best actress of PM&L's 1968 season, and so is more than qualified to have the leading (and only female) role of Lizzie Curry.

The role of L. C. Curry, Lizzie's father, is being played by Bob Lindblad from Antioch. Bob is a veteran PM&L member, has served as treasurer of the board, and has played in numerous plays. He had the leading role in "Send Me No Flowers", received a Mr. Thesis award for his role of Gramps in "On Borrowed Time," played an unforgettable Indian, Yellow Feather, in "Little Mary Sunshine," and an undertaker in "Oliver!". Bob is a member of the ACHS board and was a member of the Lake-land Players.

Noah and Jim Curry, Lizzie's brothers, are played by Mike Ciesielka from Venetian Village and Bob Davis from Lake Villa. Mike first worked with PM&L this summer when he designed and constructed the set for "Kiss Me Kate" as well as taking a walk-on role. He then turned actor in "Thunder Rock" this past fall as well as helping construct the set.

Bob Davis is a welcome newcomer just out of service. His drama experience began at Carmel High School in Mundelein and branched out in Northland College in Ashland, Wis., where he played in "The Male Animal", "The Physicists", and the "Zoo Story". He has also had some radio experience.

Gary Richter from Antioch keeps saying he's going to take some time off from show business, but he has been in every play since last season. Starting with PM&L in "Night Must Fall", he returned in "On Borrowed Time". His latest plays have been "Room Service", "Never Too Late", "Kate", "Thunder Rock", "Tom Sawyer", and "A Visit to a Small Planet". His roles vary widely from romantic lead to stuffy dignitary to Injun Joe. In "Rainmaker" he plays File, the deputy.

Director Don Beveroth completes the cast by taking over as Sheriff Thomas.

Tickets are on sale at the box office of the PM&L Theatre, 877 Main St., Antioch, every Monday, Tuesday, Thursday, and Friday until show time and at Wes Camp's Standard Oil station, corner of Main and Park. Reservations may be made by calling Wes Camp's station, 395-9708.

Maternal, Child Care Workshop Set

The 10th District Nurse's Association is co-sponsoring a Maternal and Child Care Workshop with the Public Health Nurses from the Lake Co. Health Department, to be held at St. Therese Hospital on April 14, 1969 from 3:30 p.m. to 10:00 p.m.

Dinner will be served to those who have pre-registered.

The workshop is open to all R.N.'s, L.P.'s and Student Nurses in the Lake and McHenry Counties. Anyone may attend the workshop even though they have not registered for the dinner.

The committee, however, would appreciate knowing what group discussion you would care to participate in that day, please write or call St. Therese Hospital. The purpose of the workshop is to (1) update, (2) identify and (3) to encourage positive Maternal Health Activities.

The program will include:

1. Educated Child Birth, Mrs. Genevieve Needham and Mrs. Margaret Stanczak
2. The Unwed Mother, Mrs. Gisela VanderVelden.
3. Family Planning, Mrs. Ruth Zaugg - Planned Parenthood Clinic
4. New Patterns of Health Service, Mrs. Carol Scherber.
5. Family Participation in Pediatric Hospitalization, Sister Therese Ann and Eleanor Campbell.

Dr. Raphael Adelman will present a talk on the Community Dynamics for Health. Dr. Julius Winebery, Pediatrician will present the High Risk Infant.

Nine topics will be discussed. They include:

1. High Risk Mothers and Infants
2. Educated Childbirth
3. The Nursing Mother
4. Postpartum Education
5. Adoption
6. The Unwed Mother
7. Family Planning
8. The Battered Child
9. Care of Burned Child

Cheerful Losers Seat Officers, Award Prizes

Installation of officers followed Thursday night's March 27th well attended business meeting of the Antioch TOPS Cheerful Losers held at 8 p.m. in the Community Room of the Antioch Savings & Loan.

Collette Riegler, a past leader presided at the installation ceremony.

The officers for the new year beginning in April are Mrs. Gerri Duncan, Leader; Mrs. Marion Garrett, co-leader; Mrs. Phyllis Radtke, secretary; Mrs. Jet Kriesant, treasurer; Mrs. Florence Krook, weight recorder; Mrs. Ethel Lichter, assistant weight recorder, and Mrs. Elsie Mattis, reporter.

The queen for the week showed a loss of seven pounds.

Mrs. Ruth Kovachy, retiring leader for the club presented Mrs. Marion Garrett, Chapter Queen for 1967 and 1968 with a beautiful crown pin for being weekly and monthly queen the most times during Mrs. Kovachy's term as leader.

Low calorie refreshments were served on cheerful spring place mats and lovely spring centerpieces completed the table decorations.

The next activity for the club will be the AREA Recognition Day to be held April 26, 1969 at the Wagon Wheel Lodge in Rockton.

Former Antioch Man Killed In Accident

Ronald Plattum, 34, formerly a resident of Antioch, was killed March 11 in a ski lift accident in Snow Valley, Calif., it has been reported.

He was the son of Mr. and Mrs. Carl Plattum, of 333 Ida Ave., Antioch, and a 1952 graduate of Antioch High School.

He was a member of the National Ski Patrol and had just completed a rescue when the accident occurred. Burial was in California.

He is survived by his widow, Gayle, and three children.

MOOSE TOPICS

By Lillian Birdsall

The members of the Antioch Moose Hunt Club elected new officers to fill the chairs for the new term at the meeting held at the Moose Home, Friday evening, March 28th. Newly elected officers are as follows: president, Mike Miller; vice president, Robert Pittner; secretary, Ted Wilkin; trustee Howard Stamm; treasurer, Bruce Van Diepen; sgt.-at-arms, Wally Jung, and chairman, Scotty Birdsall. The new board of officers will take over at the next hunt club meeting which will be on Tuesday, April 22. This was the first change in the order of business for the new term, the day for the meeting to be held. All meetings previously were held on the fourth Friday of every month, but because it is hard for some of the members to attend the meetings on Fridays, they were changed to the fourth Tuesday of every month instead. This is in hope that more members

will be able to attend the meetings.

Harold Klempner who was secretary-treasurer last year was honored for the fine job he had done all year. An additional 150 acres of land has been made available to the hunt club and the birds for next year's shoot have already been ordered. New president, Mike Miller reminds all the members about the change in the date of the hunt club meeting and is hoping for a very good turnout at his first meeting in April. Mr. Miller said he was anxious to get started with the business at hand.

An Easter Egg Hunt has been planned for the children of the members of the Antioch Moose on Sunday, April 6th, to be held at Shrader's Resort. This is the same place it was held last year and the hunt will begin at 2 p.m. sharp. Prizes will be awarded to the children finding the most eggs. Classification will consist of two groups, first the age range from 2 to 5 and the next group with ages of 6 to 10. A beautiful day has been planned for the weather man cooperates. All younger children will have to be under the supervision of their parents and all children must supply their own containers.

Members of the Loyal Order of Antioch will have their election of officers on Wednesday, April 9th. All members can vote starting at 12 o'clock noon till meeting time in the evening at 9 p.m. The new slate of officers will be announced at the meeting of April 9th. The night for installation of new officers has been set for Saturday evening, April 26th.

WOMEN OF THE MOOSE

The Women of the Moose will hold a chapter night program on Thursday evening, April 3rd. An enrollment ceremony will be conducted and the committee of the month has planned an entertainment program for the members who attend. The officers are planning to attend the executive session which will be held in Des Plaines on Sunday afternoon, April 13, starting at 2 p.m. The senior regent, Shirley Gehris will have an audit meeting at her home on Monday, April 7, at 7:30 p.m.

Many of the committees are planning their meetings in order to complete all projects that remain for the year. The library and child care committees will hold a combined meeting on April 14th. The Social Service committee will hold a meeting at the home of Jerri Polson on April 29. The publicity committee will have a meeting at the Moose Home on Tuesday evening, April 8.

The Collegians of the Women of the Moose are planning for their coffee break project which will be held at the Moose Home on Wednesday, April 23 starting at 10 a.m. All members are invited to attend.

The mystery box winner will be announced following the business meeting of April 17, and a fun game will be held on Thursday evening, April 24.

Three months remain for the present term of the Women of the Moose and soon the nominating committee will be announced to pick new officers to be elected by the members to fill the chairs for the new year. Most of the officers know the work that is involved in their present chair and most are qualified to suggest someone to fill them. The Women of the Moose have to work as a combined unit in order to meet all qualifications to gain the award of achievement offered by Mooseheart and this is one goal they all work for.

Lindhurst News

By Mrs. Bernice Bernau 356-5649

MARRIED

Miss Hope Lee Arentz of Chicago, daughter of Mrs. Robert Blair of Dunlap, Illinois and Mr. H. J. Arentz of Niles, and Edward Robert Bernau, Chicago, son of Mr. and Mrs. Edward W. Bernau, 101 N. White Oak Drive, Lindhurst, were married in Waukegan March 20.

A party was held at the Arentz home in Niles on March 21. The newlyweds spent their honeymoon in Dunlap. They are making their home in Chicago.

SNOWMOBILE

Talk about ingenuity! The furnace serviceman was prepared for Lindhurst roads last Wednesday when he was called to install a furnace at the James Dunn home in Lindhurst. Watching him travel back and forth on a snowmobile amused the residents, but it enabled him to transport the parts he needed without getting bogged in the mud axle deep, as some of the folks did who tried driving on Fairfield.

NEW BABY

Mr. and Mrs. Ronald E. (Marlene) Defibaugh, 1918 E. Fairfield Road, welcomed their fifth child at the Great Lakes Naval Hospital on March 20. Sharon Marie weighed 7 pounds, 14 ounces at birth. The Defibaughs' other children are Timmy, Pamela, Bryan and Bruce.

The Defibaughs moved here last August. Ron is a candidate for the Prince of Peace School board. He is a native of Wheeling, W. Va. He is in the U. S. Navy and currently assigned to the Recruit Training Command at Great Lakes.

Other candidates for the Prince of Peace School Board are Mrs. Virginia W. Henry, Charles Hauber, Mrs. Mary Loblillo, Mrs. Ruby Nelson, Gerald Santini, Mrs. Louanne Cassidy, William Belter, Ronald P. Schillinger, and Charles J. Vrba. Three of these people will be elected on April 20.

ALTAR AND ROSARY

The Altar and Rosary Sodality of Prince of Peace Church will hold its monthly meeting Wednesday, April 9, starting with Benediction at 7:30 p.m. All ladies of the parish are invited. A very interesting program is planned. Mrs. Ben Wade, graphologist, will give the program.

HOUSE GUESTS

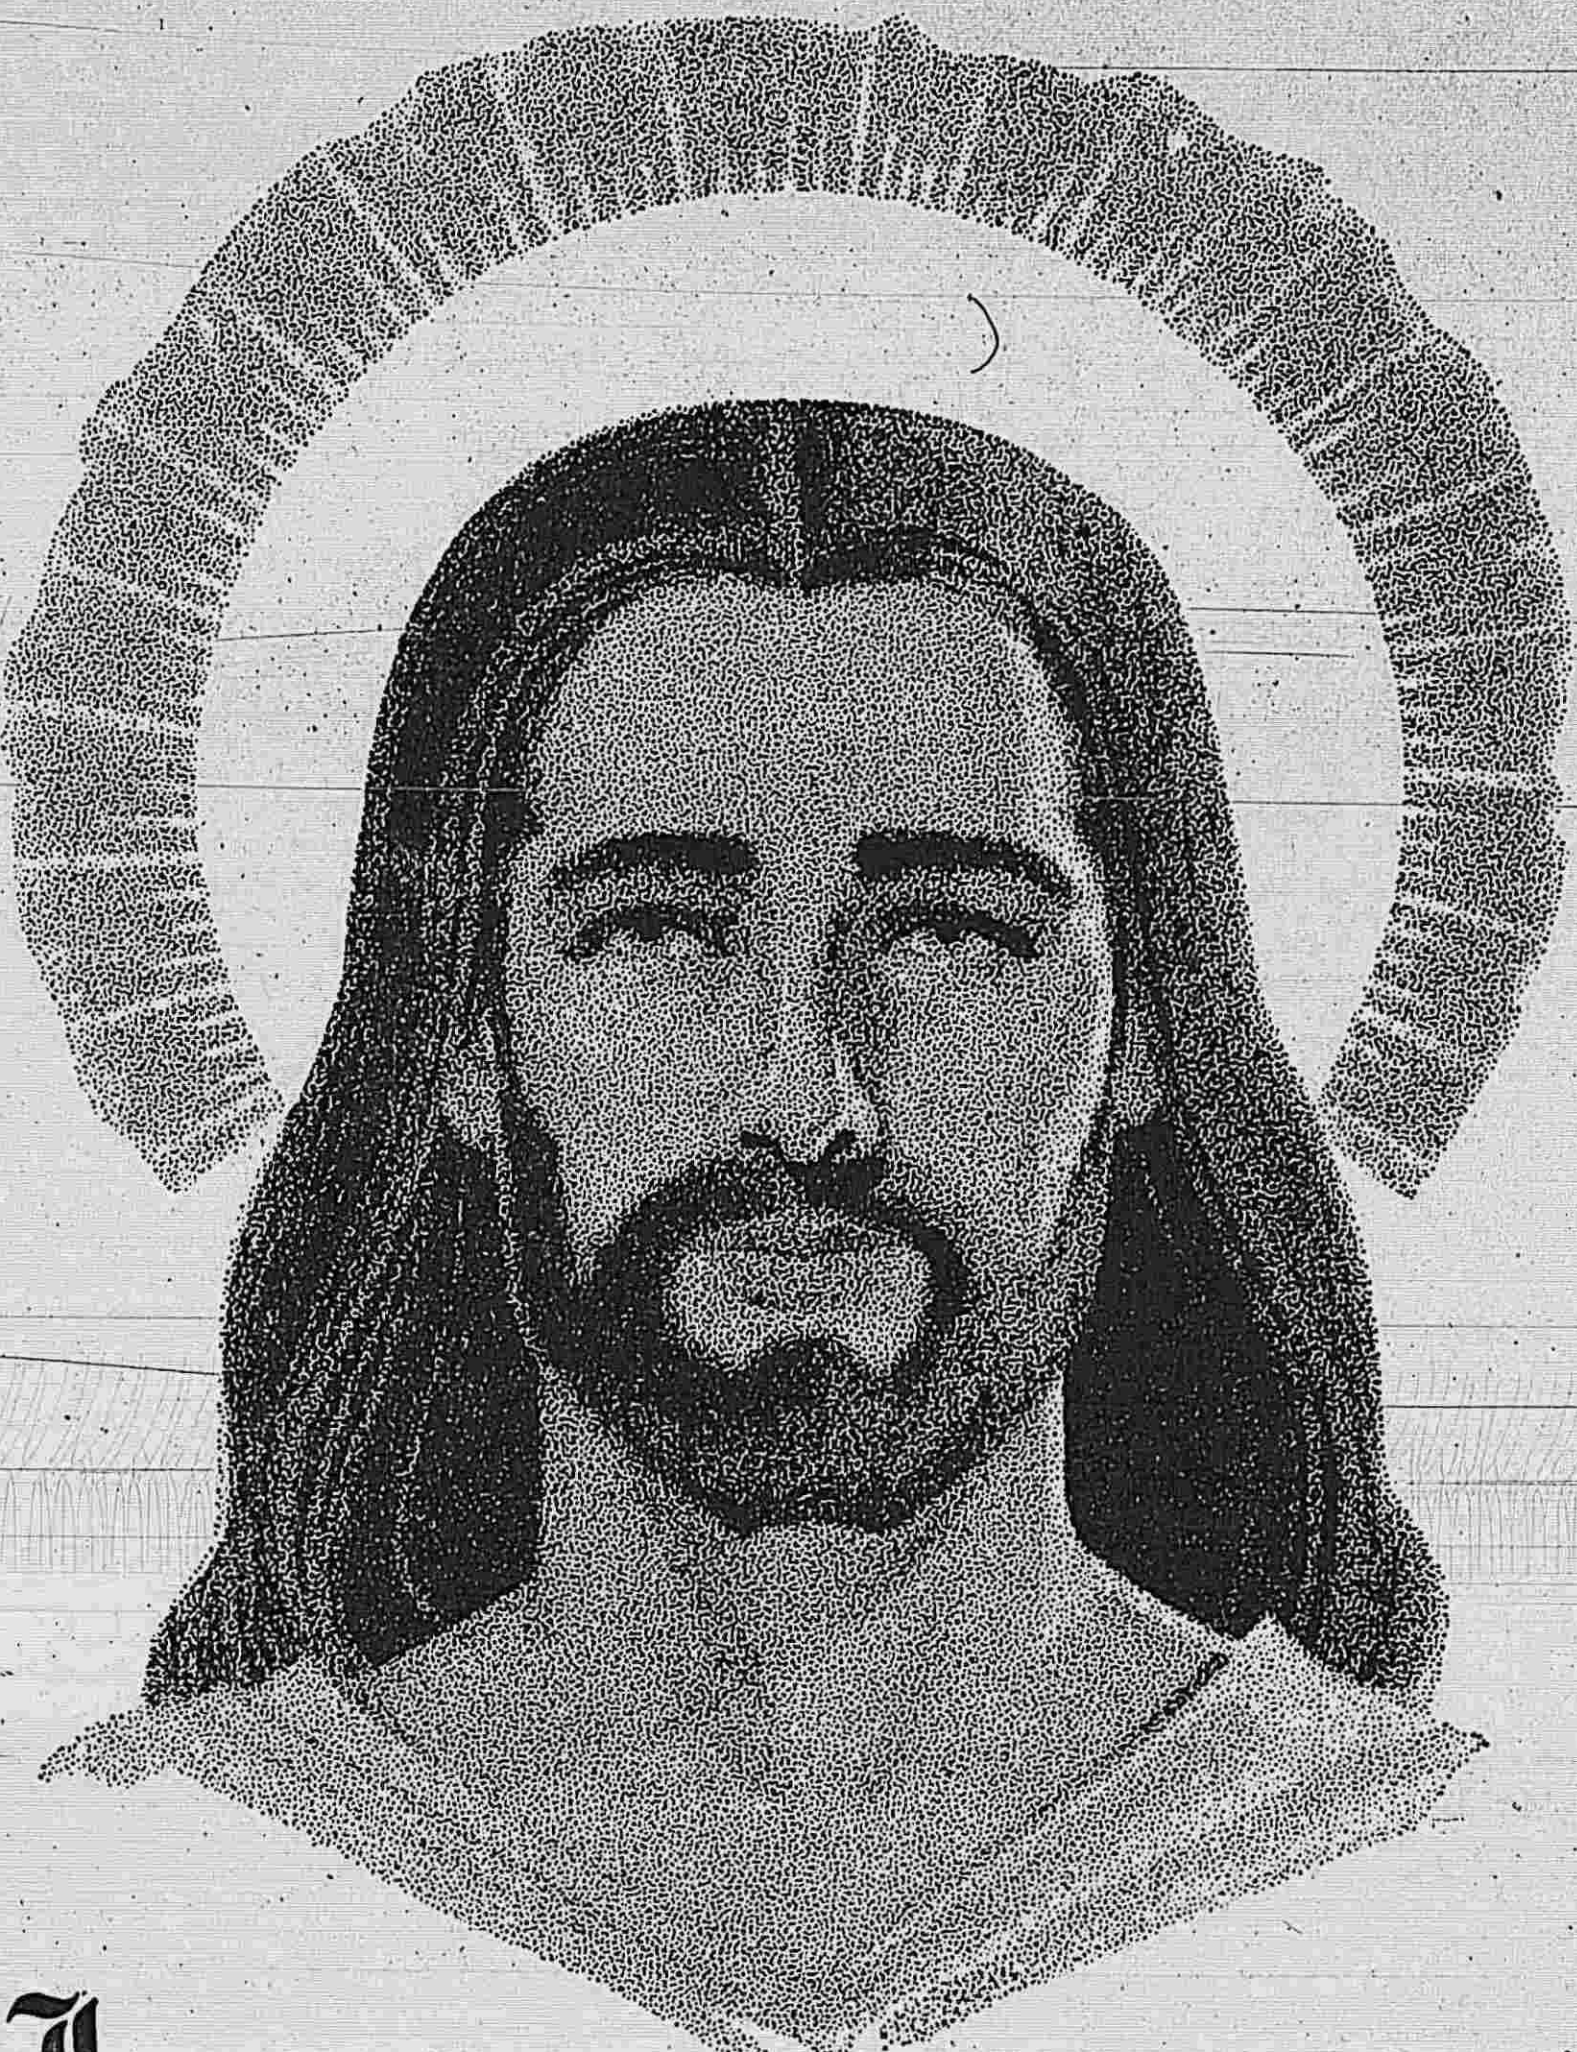

Mr. and Mrs. Vernon Riihimaki of Deep Lake Road, Lake Villa, had Mr. and Mrs. Ned Cook of Boston, Mass., for house guests last week. The Cooks are in-laws of the Riihimakis' son, Bob. They are on their way home after spending five months in San Diego, Calif., to be near their daughter, Kathy and her family.

While in San Diego, the Cooks attended Bob's graduation from the Hospital Corpsman School on March 5, which was his 27th birthday. He received a plaque for having the second highest grades in his class. He has been assigned to sea duty on the LST U.S.S. Sumner County, and will be stationed out of San Diego. Bob enlisted in the Navy in June of 1960, and received his Corps School training at Great Lakes Naval Hospital.

Rebecca Riihimaki will be home this week-end for the Easter Holidays, from Western Illinois College at Macomb.

GOOD CITIZENS BUILD BETTER COMMUNITIES

Citizenship involves more than casting a ballot, attending a civic club meeting, and obeying the law. Citizenship means wholehearted, day-to-day support of both government and the civic and philanthropic agencies which work for community improvement.

(Name of agency or project) benefits your community and — directly or indirectly — benefits you and yours. And your help is appreciated, needed and deserved.

Help, won't you?

Super Stocks Filling Speedway Spotlight

The Waukegan Speedway will open its first season on asphalt the weekend of April 12 and 13 with the trophy dash at 8 p.m. The booming late-model-super stock car division will be the headline attraction on both Saturday and Sunday nights this year.

The late model super stock races on Sunday evenings will displace the modified division which raced at the Waukegan clay track on Sundays for a number of years. A local modified drivers association demanded a 30% increase in guaranteed purses and other considerations. When negotiations with Speedway management broke down recently, the Sunday night card was left open.

Promoter Gordon Sill immediately selected his popular and mushrooming late-model-super stock division to take over the Sunday night slot. With a record preseason registration this year and the unparalleled late model enthusiasm for the new asphalt semi-banked quarter mile oval, Sill expects a tremendous late model super stock season.

In the past four years at Waukegan, the average late model purse has just doubled indicating the growth of spectator and driver interest in this area. In this division, fans can relate the competition cars to the cars they drive on the streets daily. The late model divisions across the nation are booming on the asphalt tracks and Waukegan should be no exception. In fact, before the exit of the modifieds, the Waukegan Speedway had tentatively scheduled a summer series of midweek races for the super stocks to accommodate the increasing interest.

The super stock late models that race at Waukegan actually are allowed more modifications than the late models in the NASCAR and USAC circuits. These super stocks are specially designed for high speed, short track racing. Waukegan's asphalt will be blistered by these super

stocks as fans viewing either Dennis Burgan's or Jim Cossman's 1969 entries at the Belvidere Mall auto show gathered.

The pit gates will open at 4 p.m. on Saturday, April 12 only for inspection, registration, and practice.

The season's schedule will see the gates normally open at 6:30 with qualification runs starting at 7:15 and the first race will go to the starting line at 8 p.m.

Name Site For Open Qualifying

Ravistown Country Club, Homewood, will be the site of the qualifying round for the 1969 Western Open Golf Tournament.

The announcement was made today by Boyd J. Simmons, president of the sponsoring Western Golf Association, in accepting the invitation of Ben Raskin, president of Ravistown.

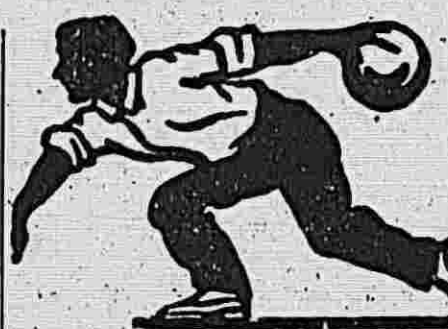

The 18-hole qualifying trial will be held on Monday, June 2. Involved will be all entrants in the Western Open who are not on the exemption list—a list which includes approximately 100 of the top touring professionals.

The qualifiers will be seeking some 30 places in the starting field of the Western Open, which will be conducted June 5-8 at Midlothian, Country Club, in the southwest Chicago suburb bearing the same name.

Last year 188 took part in qualifying, with 21 professionals and three amateurs winning places in the Championship field.

Ravistown will play to 6,450 yards and have a par of 70 for the trials.

The entry deadline for non-exempt players is 5 p.m., Friday, May 23. Entry forms are available from WGA at Golf, Ill.

Toft Announces IRA Directors

Ray Toft, newly elected President of the Interstates Racing Association of modified stock cars, has announced the directors who will guide the functions of the club in its second year of racing promotions and activities. Toft, the Mayor of Antioch, who managed IRA's competition last year at the Kenosha County Speedway, Waukegan and Rockford Speedways, has a background of 11 years in stock car racing. Most of this has been in the Illinois-Wisconsin state line area.

Last year's IRA President,

Duane Harris, a three-time driven Champion, remains on the board of directors along with Jr. Dodd of Waukegan, vice president; 1968 IRA Champion Roger Otto, Brulington, treasurer; Fred Nielsen, Lake Villa, secretary; Denney McKay, Elgin and Ken Monroe, Pell Lake.

The IRA organization of super-fast modified stock cars will again handle the Saturday night racing programs at the Kenosha County Speedway in Wilmot and expect to have two races at the 1969 Kenosha County Fair in August. The popular spectator stock car class open to 1955 models and up will again provide the bonus events in the Saturday night races.

The opening date at Wilmot and other sanctioned tracks will be announced later.

Chicago Dog Show April 5-6

Purebred dog owners and kennels in 45 states and five provinces of Canada have entered 3405 dogs in the 29th annual International Dog Show, to be held in Chicago April 5 and 6 in the International Amphitheatre.

It is the third time that the Chicago show entry has exceeded the 3400 mark. Last year's entry of 3409 dogs was the largest among the 1507 shows that were held in 1968; and the 1966 International entry of 3402 was also largest of the year.

Show officials report that the entry exceeds the 100 mark in five breeds, led by Poodles of which 173 are listed, followed by 139 Afghan Hounds; 125 Great Danes, 107 Basset Hounds, and 100 Irish Setters.

Other large breed entries for the forthcoming International Show are 96 German Shepherds, 91 Cairn Terriers, 87 Dachshunds, 76 Doberman Pinschers, 72 Miniature Schnauzers, and 63 Alaskan Malamutes. Dogs entered in the obedience classes, in which the judging is on performance only, total 97.

Special events in addition to the bench show include exhibitions of Field Trial work featuring Retrievers and Basset Hounds. There will also be dog racing over a 200 yard track in which Whippets, Afghan Hounds, Salukis, and Borzoi will compete in speed tests.

Show hours are 9 a.m. to 10 p.m. on Saturday and 9 a.m. to 7 p.m. Sunday when the show will conclude with the selection of the Best in Show winner from among the 3405 contenders representing over 100 different breeds.

as the four-year state public institutions are beginning to limit enrollment at the freshman and sophomore level," Dr. Dear added.

An important consideration for the student taking his first two years at CLC is whether his credits will be transferable to the university. Dr. Dear says that acknowledgments of willingness to accept CLC credits for transfer have been received from the University of Illinois, Northern Illinois University and Illinois State University.

"The College of Lake County is a Class I community college recognized by the Illinois Junior College Board and the Illinois Board of Higher Education. As such, credits earned at CLC will be accepted by the State System of Colleges and Universities in Illinois," Dr. Dear noted.

In addition to being able to complete their freshman and sophomore years at CLC, students will be able to participate in a full college life at the College, with a wide range of organizations, extra-curricular activities and athletics from which to choose. Dr. Dear says the student can arrange his schedule with more flexibility at CLC because of the extended day, and may find it possible to work part-time while attending college.

RONALD F. ARNDT

Ronald F. Arndt, 35 years old of 512 Valley View Drive, Wildwood near Grayslake, passed away at 4:00 a.m. Friday, March 28, 1969, at Victory Memorial Hospital after a long illness. He was born Sept. 29, 1933 in Covington, Michigan, and moved to Antioch in 1939, then to New York City in 1954 and to Wildwood in 1967. He had graduated from Antioch Grade School and the Antioch High School in 1952. He had served in the U. S. Army from July 9, 1956 until discharged on June 28, 1958.

He had been a service representative with S.A.S. Airlines from 1952 until 1962, then became

advantage for students taking their first two years at CLC. In addition to low tuition rates, the student is able to live at home and find employment, if he needs to, without sacrificing the opportunity to participate in campus life.

In other cases, Dr. Dear points out, a number of students wishing to work toward a baccalaureate degree do not feel they are ready for the larger universities with their greater demands. At CLC, the student will have the opportunity to prepare himself for the university and can draw upon the counseling services CLC will offer all its students.

"We will maintain a high academic standard for our courses at CLC; and will endeavor to employ the best available instructors," Dr. Dear said. "We feel confident that students choosing the University Parallel Program at CLC will be as well prepared for their final two years of college as those students entering the university as freshmen. Being smaller, too, we at CLC can concern ourselves more with the individual student and help him toward a more successful college experience."

The first year transfer curricula will include courses in arts and sciences, business, education, engineering, humanities, pre-medicine, natural sciences, mathematics and social studies. Details of courses within these areas will be available in the CLC guidebook through high school counselors and CLC offices, 2615 West Washington Street, Waukegan.

Handicapped To Receive College Aid From U.S.

DEKALB—The federal government recently extended and expanded its role in the area of special education. Dr. Harold W. Heller, U. S. Office of Education, Chief, mental retardation branch, told a group recently.

"American education now more than ever before has accepted the challenge to offer quality education to every youngster, not just to the most capable, but also to those whom it has rejected for so many years—the handicapped," he emphasized.

Heller spoke on federal activities in the handicapped area in a guest appearance at Northern Illinois University. Northern presently is hosting the First Annual Special Education Symposium on current research and practices in special education.

The Illinois native continued, saying that the federal government no longer is paying lip service to the idea of quality education for all.

"The effort initiated by the federal government to meet this goal clearly is shown by the wide variety of legislative measures enacted by Congress in the executive branch during the last decade," Heller said.

An example of such tangible measures is the establishment of the Bureau of Education for the Handicapped, now in its second year of existence. The Bureau is responsible for all related programs in the area of the handicapped.

This emphatically credits the newer vision by the federal government in special education whereby handicapped children now obtain not just the chance to survive in our society, but the chance to succeed as well.

According to Heller, the Bureau of Education for Handicapped Children went from \$1 million appropriation by Congress in 1968 to over \$100 million this year.

Last year the U. S. Office of Health, Education and Welfare directly allotted \$29 million to special education programs. More than \$1 million of this came to the state of Illinois.

In addition to the financial aid,

the federal government, through the Bureau, has initiated numerous programs. Currently a research and related activities authority provides support for applied education research directly related to the needs of handicapped children and youth.

Other supplementary aids mentioned by Heller were: extended and expanded undergraduate and graduate personnel training programs; extended media services providing instructional materials to classroom teachers and therapists; and regional resource centers which provide consultant help to the child and which provide for the special education teacher the latest in materials and methods.

New educational resource centers also have been established for the multiple handicapped children. Additional programs include model secondary schools for the deaf and research and training programs in physical education and recreation for the retarded and other handicapped children.

An information and recruitment program for developing systems of parent communication and teacher recruitment activities have been established. Further provisions call for a fully funded Early Childhood Education Act providing for model demonstration centers for the education of pre-school handicapped children.

What does this mean to Illinois? According to Heller, the federal aid allows money to come to Springfield for distribution to regions throughout the state to

service handicapped children in those areas.

NIU recently was awarded approximately \$220,000 to prepare personnel to work in the field of special education in the areas of mental retardation, speech and hearing, orthopedic and visually handicapped.

"Chicago area institutions totally spend about \$600,000 to train personnel in special education. In addition to the State Department of Public Instruction receives approximately \$200,000 for training services," Heller said.

He summarized, "The Office of Education at the federal level actively is playing its role in seeing that states and local school systems guarantee a truly quality education for every American child."

"To exclude no one, to deny no one, to reject no one regardless of his physical condition or intellectual or emotional state of development is our goal in education," he concluded.

Pack 192 wishes to express its deepest thanks for a job very well done to Mr. Gordon DeBoer for designing and building a new seven lane race track for the Pinewood Derby. It was magnificent and we shall enjoy using it for many races to come. Thank you!

Refreshments were served to the racers and their parents after the meet by Dens 4 and 5.

TOWNSHIP OF ANTIOCH
REPORT OF EXAMINATION
For the Year Ended January 31, 1969
NORMAN S. JEDELE
CERTIFIED PUBLIC ACCOUNTANT
Antioch, Illinois

Mr. L. E. Murrie, Supervisor
Township of Antioch
Antioch, Illinois

We have examined the balance sheets arising from cash transactions of the various funds of the TOWNSHIP OF ANTIOCH at January 31, 1969 and the related statements of cash receipts and disbursements for the year then ended. Our examination included the General Fund, Poor Fund, Road and Bridge Fund, Blacktop Road Improvement Fund, Special Fund - Lagoona Subdivision, Retirement Fund and was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary.

Accounting records of the Township are maintained on the cash basis and consequently do not reflect, as income, taxes levied but not yet received nor expenses incurred but not yet paid. However, our examination has disclosed no unusual items of either income or expense not reflected on the Township books.

In our opinion, the attached statements for the funds of the TOWNSHIP OF ANTIOCH listed above present fairly the financial position at January 31, 1969 and the cash receipts and disbursements for the year then ended in accordance with generally accepted accounting principles for municipalities applied on a cash basis consistent with that of the preceding year.

Yours very truly,
NORMAN S. JEDELE
Certified Public Accountant
